2400 LG	Lime Green	

## Rechargeable StealthLite

Pelican's New Rechargeable StealthLite offers all the features of the StealthLite. It's submersible to 500 feet, corrosion proof and the powerful Xenon® Laser Spot beam penetrates smoke, water and fog. The Hi-Capacity NICAD industrial battery pack yields up to 1000 charges. The burn time per charge is approximately 1 hour, 10 minutes longer if used intermittently. NICAD pack is fully interchangeable with 4 standard AA cell Alkaline batteries. The rechargeable StealthLite is 50% brighter than a standard StealthLite.
